Assistant Commissioner
Health and Human Services Commission

RE: Final Adoption of the Newborn Screening Rule, 410 IAC 3, LSA# 20-311

The Indiana State Department of Health (ISDH), Maternal and Child Health program, requests the Executive Board, at the Board's September 9th meeting, finally adopt the amendment to the administrative rule governing the Newborn Screening Rule, 410 IAC 3, LSA# 20-311.

The proposed amendments would amend 410 IAC 3-3-3 to update and add to the list of disorders all newborns and infants shall be screened for; amend 410 IAC 3-3-3.5 to set standards for pulse oximetry screenings; amend 410 IAC 3-3-13 to increase the fee charged for newborn screenings to cover the cost of screening for new disorders.

The Notice of Intent to Adopt a Rule was published in the Indiana Register on June 10, 2020 starting the one year period to adopt this rule. The Executive Board reviewed the proposed draft of this rule at the July 8th Executive Board meeting. ISDH received no public comments on the rule.

To **promote**, **protect**, and **improve** the health and safety of all Hoosiers.
